Note 1: All of the top ten shareholders should be listed. For corporate shareholders, the name of the

corporate shareholder and the name of its representative should be listed separately.

Note 2: The shareholding ratio is calculated separately in one's own name , spouse's name , minor children's name, or in the name of another person.

Note 3: The shareholders listed above include legal persons and natural persons, and their relationships should be disclosed in accordance with the issuer's financial reporting preparation standards.
